THE JOY OF GIVING

“PALLOTTI BREAD” [Together with the Hungry] is an initiative of the Pallottines in Nagpur. We began with the objective of becoming a solace to the poor who suffer from want of food in Nagpur. We are immensely thankful to our beneficiaries for giving us an opportunity to be part of their lives.

Pallotti bread is reaching out to over 10000 people across Nagpur. On date we empower 2530 families through this feeding programme. We bring solace to these families by providing a ration kit of four persons for a month. This helps them to save their earnings and use it for a better and sustainable living. The families are homeless poor living on the foot paths of Nagpur city. During the covid 19 pandemic we stepped out to support the needy families and the covid warriors [Health workers & Police]. We provided ration and medical kits to 1300 families. Distributions were done at Rui village, Dhuthi [Dongergaon], Seminary Hills, TV Tower, Pallotti Nagar, Gorewada Village, Suraj Nagar and Hingna. "Satyaprakash Pathshala" [Educational support to the deprived children] students' families were also beneficiaries of ration kit every month from the time of lockdown. Pallotti bread wants to venture out by expanding the network and collaboration of like-minded people. We want a hunger free Nagpur. Let us become the essential enablers and be joyful by giving.

Together with the Hungry

A PALLOTTINE SOCIAL INITIATIVE

Pallotti Bread Team Invites You to collaborate with us to share "The Joy of Giving".
